REQUEST FOR CONTINUATION OF SUSPENSION

The applicant respectfully requests that the Trademark Trial and Appeal Board continue the suspension of the appeal in the above-identified application for an additional three months.

The applicant and the owner of Registration No. 3,666,843, through their respective attorneys, are continuing their discussions regarding the possible acquisition of the class 32 portion of that registration by the applicant. The U.S. attorneys for the registrant have informed the applicant's attorneys that the registrant has changed counsel in Europe, which has delayed communications with the registrant. Further time is therefore necessary to determine whether the applicant and the registrant can reach an agreement regarding the acquisition of the class 32 portion of Registration No. 3,666,843 by the applicant, which would render the refusal to register in view that registration moot.

In view of the foregoing, good cause for continued suspension of the appeal exists, and the applicant therefore respectfully submits that this request should be granted.

Respectfully submitted,

Date: August 2, 2011
